

BACK TO SCHOOL 2024-2025

Bourget College Grades 9, 10, 11 and 12

Dear Parents and Students,

On behalf of the staff and administrative team, I am happy to welcome you to Bourget College for the 2024-2025 school year! We are looking forward to a productive partnership with you to ensure that your child can achieve their highest potential. We recognize that to be successful in school, our students need support from both their home and school. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our duties. We ask that you guide and support your child's learning by ensuring that they:

- 1) Attend school daily and arrive on time
- 2) Complete all homework assignments given by teachers
- 3) Read daily to develop a love for literature and to improve literacy skills
- 4) Become involved in student life activities at the college
- 5) Complete their community service hours
- 6) Seek the support of their teachers and the staff at Bourget when required
- 7) Understand your expectations for school and discuss goals for postsecondary studies

We are looking forward to welcoming back our current BC students who will be acting as role models for the new students which will be joining Bourget College. We are very excited about the introduction of our Grade 9 class who will be welcomed into the Pavillon Principal next year. We are also very happy with the continued growth and development of the Grade 12 program.

We invite you to carefully read the following documents which contain useful information for Back to School 2024-2025.

In the meantime, enjoy your summer vacation.
